##### 56 4.1 **DISCUSSION AND ACTION – Lakefront Infrastructure Reimbursements**

57 City Manager Jacob McHargue will present as request for infrastructure reimbursements.  
58 The RDA Board will take appropriate action.  
59

60 Chair Pro Tempore Flake turned the time over to City Manager Jacob McHargue.  
61

62 Mr. McHargue explained that there were a few projects that they were looking at funding.

- 63 • Reimbursement for a portion of 300 West and Loop Road that the city had requested be  
64 enhanced
- 65 • Reimbursement for removing part of the old county road on the west side of the  
66 development
- 67 • Cost-sharing at 50 percent of the regrading and seeding of the open space, and  
68 installation of the trail on the west side of the development.

69 The project's total cost was estimated at \$1,491,561, and Edge Homes was requesting a cost-  
70 sharing of \$614,575 from the RDA. Staff was recommending that the board approve the  
71 application and allow the chair to sign a reimbursement agreement.  
72

73 Boardmember Earnest asked what type of grass would be planted. Water Manager Sullivan Love  
74 replied that it would be low-maintenance native grass.  
75

76 Boardmember Judd asked if they coordinated with the county about the fence and trail. Assistant  
77 Public Works Director Chris Wilson replied that the fence would be removed.  
78

79 Boardmember Welsh sought clarification on the regrading of the area under discussion. Brandon  
80 Watson with Edge Homes replied that the open space would be from the existing jogging trail to  
81 the Edge development as well as a parallel asphalt trail. He confirmed that the fence would be  
82 removed. He said that Edge Homes had received approval from State Lands and the county.  
83

84 Boardmember Earnest asked about the timeline for the completion of the project. Mr. Watson  
85 replied that they planned to spend most of the year regrading and improving the area and then  
86 seeding it in the fall.  
87

88 Boardmember Judd asked about the maintenance of native grass. Mr. Watson replied that the  
89 landscape architect put together a maintenance plan and had worked with Mr. Love to ensure that  
90 the city was comfortable with it. Boardmember Welsh asked for clarification on the native grass.  
91 Mr. Love replied that they would be installing different types of grasses. Mr. Wilson explained  
92 that they took the approach that this was to be an experiment with different types of water-wise,  
93 low- maintenance grasses. Boardmember Welsh asked who would be responsible for maintaining  
94 the land. Mr. Wilson replied that the city would be leasing the ground and would be responsible  
95 for maintaining the land.  
96

97 Boardmember Welsh asked about the previous agreement that required them to put a million  
98 dollars on the north side (the promenade), and if that were the case, would it make sense to use  
99 the money now. Mr. McHargue explained that Edge Homes was not required to do that  
100 anymore.

101 Mr. Love explained that there would be three pavilions in the park are for public use. Mr. Brim  
102 suggested that they could add more pavilions in the future if there were a demand for it. There  
103 was a discussion about the use of the area. Boardmember Welsh asked if they would include  
104 connecting the trails and have a bridge. Mr. McHargue replied yes. The discussion continued.  
105

106 Mr. McHargue mentioned that the RDA was going through the bonding project, so he did not  
107 know how quickly the RDA could reimburse them.  
108

109 Boardmember Judd sought clarification if the terms would be brought before the board. Mr.  
110 McHargue replied that it was up to the board.  
111

112 **Motion:** BOARDMEMBER JUDD MOVED TO APPROVE THE RDA APPLICATION AND  
113 ALLOW THE CHAIR TO SIGN THE COST SHARING REIMBURSEMENT AGREEMENT  
114 AS PRESENTED. BOARDMEMBER EARNEST SECONDED THE MOTION. CHAIR PRO  
115 TEMPORE FLAKE, BOARDMEMBERS EARNEST, JUDD, AND WELSH VOTED AYE.

NOW, THEREFORE, it is hereby resolved by the Board of Directors of the Vineyard Redevelopment Agency, Utah, as follows:

Section 1. All terms defined in the foregoing recitals hereto shall have the same meanings when used herein.

Section 2. For the purpose of (a) refunding the Refunded Bonds, (b) financing the Project, (c) funding a deposit to a debt service reserve fund, if necessary, and (d) paying costs of issuance of the Series 2021 Bonds, the Agency hereby authorizes the issuance of the Series 2021 Bonds which shall be designated “Vineyard Redevelopment Agency, Utah Tax Increment Revenue and Refunding Bonds, Series 2021” (to be issued from time to time as one or more series and with such other series or title designation as may be determined by the Agency) in the initial aggregate principal amount of not to exceed Eighty Million Dollars (\$80,000,000). The Series 2021 Bonds shall mature in not more than thirty-one (31) years from their date or dates, shall be sold at a price not less than ninety-seven percent (97.00%) of the total principal amount thereof, shall bear interest at a net effective rate of not to exceed six percent (6.00%) per annum, as shall be approved by the Designated Officers, all within the Parameters set forth herein. The issuance of the Series 2021 Bonds shall be subject to the final approval of Gilmore & Bell, P.C., Bond Counsel to the Agency, and to the approval of the attorney for the Agency.

Section 3. The final interest rate or rates for the Series 2021 Bonds shall be set by the Designated Officers, in consultation with the Financial Advisor, at the rate or rates which, taking into account the purchase price offered by the Purchaser/Underwriter of the Series 2021 Bonds, will, in the opinion of the Designated Officers and the Financial Advisor result in the lowest cost of funding reasonably achievable given the manner of offering the Series 2021 Bonds at the time of the sale of the Series 2021 Bonds. The approval of the Designated Officers shall be evidenced by the execution of the Bond Purchase Agreement.

Section 4. The Indenture and the Bond Purchase Agreement in substantially the forms presented to this meeting and attached hereto as Exhibits B and C, respectively, are hereby authorized, approved, and confirmed. The Designated Officers are hereby authorized to execute and deliver the Indenture and the Bond Purchase Agreement in substantially the forms and with substantially the content as the forms presented at this meeting for and on behalf of the Agency, with final terms as may be established by the Designated Officers, in consultation with the Financial Advisor, within the Parameters set forth herein, and with such alterations, changes or additions as may be necessary or as may be authorized by Section 6 hereof. The Designated Officers are each hereby authorized to select the Purchaser/Underwriter and to specify and agree as to the final principal amounts, terms, discounts, maturities, interest rates, redemption features, and purchase price with respect to the Series 2021 Bonds for and on behalf of the Agency, provided that such terms are within the Parameters set by this Resolution.

Section 5. Should the Designated Officers determine to have the Series 2021 Bonds underwritten, the Agency hereby authorizes the utilization of the Preliminary Official Statement, in the form attached hereto as Exhibit D in the marketing of the Series 2021 Bonds and hereby approves the Official Statement in substantially the same form as the Preliminary Official Statement.

Section 6. The appropriate officials of the Agency are authorized to make any alterations, changes or additions to the Indenture, the Series 2021 Bonds, the Bond

Purchase Agreement, the Preliminary Official Statement, the Official Statement, or any other document herein authorized and approved which may be necessary to conform the same to the final terms of the Series 2021 Bonds (within the Parameters set by this Resolution), to conform to any applicable bond insurance or reserve instrument or to remove the same, to correct errors or omissions therein, to complete the same, to remove ambiguities therefrom, or to conform the same to other provisions of said instruments, to the provisions of this Resolution or any resolution adopted by the Board or the provisions of the laws of the State of Utah or the United States.

Section 7. The Designated Officers are hereby authorized and directed to execute and seal the Series 2021 Bonds and to deliver said Series 2021 Bonds to the Trustee for authentication. Section 9. Upon their issuance, the Series 2021 Bonds will constitute special limited obligations of the Agency payable solely from and to the extent of the sources set forth in the Series 2021 Bonds and the Indenture. No provision of this Resolution, the Indenture, the Series 2021 Bonds, or any other instrument, shall be construed as creating a general obligation of the Agency, or of creating a general obligation of the State of Utah or any political subdivision thereof, or as incurring or creating a charge upon the general credit of the Agency or its taxing powers.

Section 10. The Designated Officers and other appropriate officials of the Agency, and each of them, are hereby authorized and directed to execute and deliver for and on behalf of the Agency any or all additional certificates, documents and other papers (including, without limitation, any escrow deposit agreements, insurance or reserve instrument guaranty agreements permitted by the Indenture) and to perform all other acts they may deem necessary or appropriate in order to implement and carry out the matters authorized in this Resolution and the documents authorized and approved herein.

Section 11. After the Series 2021 Bonds are delivered by the Trustee to the Purchaser/Underwriter, and upon receipt of payment therefor, this Resolution shall be and remain irrevocable until the principal of, premium, if any, and interest on the Series 2021 Bonds are deemed to have been duly discharged in accordance with the terms and provisions of the Indenture.

Section 12. In accordance with the provisions of the Act, the Secretary shall cause the following "Notice of Bonds to be Issued" to be (i) published one (1) time in The Salt Lake Tribune, a newspaper of general circulation in the Agency, (ii) posted on the Utah Public Notice Website created under Section 63F-1-701 Utah Code Annotated

The "Notice of Bonds to be Issued" shall be in substantially the following form:

## NOTICE OF BONDS TO BE ISSUED

NOTICE IS HEREBY GIVEN pursuant to the provisions of the Limited Purpose Local Government Entities - Community Development and Renewal Agencies Act, Title 17C, Utah Code Annotated 1953, as amended (the “Redevelopment Act”) and the Utah Refunding Bond Act, Title 11, Chapter 27, Utah Code Annotated 1953, as amended (the “Refunding Bond Act” and collectively with the Redevelopment Act, the “Act”), that on February 24, 2021, the Board of Directors (the “Board”) of the Vineyard Redevelopment Agency, Utah (the “Agency”) adopted a resolution (the “Resolution”) authorizing the issuance of the Agency’s Tax Increment Revenue and Refunding Bonds, Series 2021 (to be issued in one or more series from time to time and with such other series or title designation as may be determined by the Agency) (the “Series 2021 Bonds”).

### PURPOSE FOR ISSUING THE SERIES 2021 BONDS

The Series 2021 Bonds will be issued for the purpose of (a) refunding outstanding bonds or other obligations related to the Agency’s Geneva Urban Renewal Project Area (the “Project Area”) (the “Refunded Bonds”), (b) financing rail spur improvements, road projects, a water storage tank, utility pipelines and other miscellaneous and related capital projects permitted by the Project Area (collectively, the “Project”), (c) funding a debt service revenue fund, if necessary, and (d) paying costs associated with the issuance of the Series 2021 Bonds.

### PARAMETERS OF THE SERIES 2021 BONDS

The Agency intends to issue its Series 2021 Bonds in the aggregate principal amount of not more than Eighty Million Dollars (\$80,000,000), to mature in not more than thirty-one (31) years from their date or dates, to be sold at a price not less than ninety-seven percent (97%) of the total principal amount thereof, and to bear interest at a net effective rate of not to exceed six percent (6.00%) per annum. The Series 2021 Bonds are to be issued and sold by the Agency pursuant to the Resolution, including as part of said Resolution, a General Indenture of Trust and a Supplemental Indenture (collectively, the “Indenture”) which were before the Board and attached to the Resolution in substantially final form at the time of the adoption of the Resolution, and said Indenture is to be executed by the Board in such form and with such changes thereto as shall be approved by the Chair or Chair pro tem; provided that the principal amount, interest rate or rates, maturity, and discount from par of the Series 2021 Bonds shall not exceed the maximums set forth above.

### OUTSTANDING BOND SECURED BY REVENUES

Other than the proposed Series 2021 Bonds, the Agency currently has \$50,513,000 of bonds and other debt outstanding secured by the pledged revenues (as more fully described in the Indenture) (the “Revenues”).

## OTHER OUTSTANDING BONDS OF THE AGENCY

Information regarding all of the City's outstanding bonds may be found in the Agency's audited financial report (the "Financial Report") at: <https://reporting.auditor.utah.gov/searchreport>. For additional information, including any more recent than as of the date of the Financial Report please contact Pamela Spencer, City Recorder, at (801) 226-1929.

## TOTAL ESTIMATED COST

Inasmuch as the Agency would be refunding the Refunded Bonds without any expected material increase in debt service, the only portion of the Series 2021 Bonds currently expected to add to existing debt service will be approximately \$4,000,000 of the Series 2021 Bonds (the "Additional Portion"). Based on an estimate of the current interest rate and financing plan, the estimated total debt service cost of the Additional Portion of the Series 2021 Bonds, if held until maturity is \$5,787,277.

## SECURITY FOR THE SERIES 2021 BONDS

The Series 2021 Bonds shall constitute special limited obligations of the Agency and shall be payable solely from the pledged revenues identified in the Indenture, including certain tax increment revenues received by the Agency from the Geneva Urban Renewal Project Area.

A copy of the Resolution and the Indenture are on file in the office of the Agency, at 125 So. Main Street, Vineyard, Utah, where they may be examined during regular business hours of the Agency, Monday through Thursday from 8:00 a.m. to 5:00 p.m. and Friday from 8:00 a.m. to Noon, for a period of at least thirty (30) days from and after the date of publication of this notice.

NOTICE IS FURTHER GIVEN that a period of thirty (30) days from and after the date of the publication of this notice is provided by law during which any person in interest shall have the right to contest the legality of the Resolution, the Indenture, or the Series 2021 Bonds, or any provision made for the security and payment of the Series 2021 Bonds, and that after such time, no one shall have any cause of action to contest the regularity, formality, or legality thereof for any cause whatsoever.

DATED this February 24, 2021.

## **OVERVIEW:**

CRSA Architecture & Planning has been working closely with the Community Development Department to put together a graphical design for the glass panels that will be installed underneath the canopies at the soon to be constructed Vineyard FrontRunner Station. In collaboration with the Vineyard Heritage Committee, four distinct heritage themes were identified which will be highlighted as part of the project. The four themes include Agriculture Heritage, Native American Heritage, Utah Lake, and Geneva Steel. Each theme will be displayed individually in the four separate canopies at the station—one theme per canopy. Each canopy will contain three 59" x 65" panels and four 65" x 15.5" end pieces (please see attachments). The images will be printed to scale and bonded between two sheets of clear, laminated, tempered glass.

All images included in the project were meticulously selected from hundreds of images in various databases to reflect historical accuracy and cultural awareness. The final images were purchased from the BYU Special Collections Library, Photographic Solutions Inc. (a local company), and the Denver Public Library. In addition, various organizations were consulted to aid in the selection of the images including the Utah State Historical Society, the US Department of the Interior, the Ute Tribe, the Ute Museum (Denver, CO), and more.

In the previous RDA Meeting, the City Council, who also serve as the RDA Board, expressed some concerns with two of the images that were proposed. The Community Development Department has prepared ten additional images to be considered by the RDA Board that could replace these two images on the panels. The new images place a greater emphasis on Vineyard's agricultural history and the importance of Utah Lake.
