**3.2 DISCUSSION AND ACTION – The Forge Tax Increment Participation Agreement (Resolution U2023-11)** *(This item was continued from the December 13, 2023 RDA Board Meeting.)*

Dakota Pacific is requesting approval of a Tax Increment Participation Agreement. The RDA Board will act to adopt (or deny) this request by resolution.

 Chair Fullmer turned the time over to Steve Borup with Dakota Pacific.

 Mr. Borup gave a brief background on The Forge development and reviewed the changes to the tax increment agreement since the last board meeting.

 Chair Fullmer asked about timeline for development. Mr. Borup replied that there was a timeline in the development agreement.

 Boardmember Sifuentes asked about the projected tax revenues and the percentages requested in the tax increment participation agreement. Mr. Borup reviewed the projections. A discussion ensued.

 Chair Fullmer asked about 2b in the agreement. Mr. Borup explained that they would have to submit a request for reimbursement and prove that the request was for qualified expenses. Chair Fullmer asked if they could tie the qualified expenses to an anchor in phasing through the tax increment agreement. There was a discussion about repayment conditions and phasing.

 Chair Fullmer asked if Section B was capping the reimbursement. Mr. Borup replied that if there was a particular user, supported by the city, there could be additional support by the RDA. Mr. Blakesley felt that it was a signal of intent and if they wanted more than 75 percent, they would have to come back to the RDA Board.

 Chair Fullmer asked the board if they liked the structured parking, pedestrian, open space and public infrastructure listed in the agreement. Mr. Borup reviewed the phasing and the impact of structured parking on returns. A discussion ensued.

 Chair Fullmer asked about opportunities for phasing. Mr. Brim explained that some of the phasing would be tied to the reimbursement agreement. There was a discussion about the phasing and tying them to reimbursements. Mr. Blakesley suggested they tie a certain amount to each phase. Boardmember Welsh suggested that this agreement be tied to the development agreement. The discussion continued.

94

95  Mr. Blakesley gave a recap of the discussion. Approve the agreement as drafted with 2  
96 revisions:

- 97 • Bring in the revocation provision from the development agreement, that if the initial  
98 phase did not begin by December 31, 2026, the city could begin the process of revoking  
99 the reimbursement agreement
- 100 • The city would reserve 30 percent of the expenses eligible to be reimbursed in Phase 1,  
101 until the developer pulls a building permit and begins vertical construction on the  
102 subsequent phase with a 30/70 split for all subsequent phases.

103 There was further discussion about the split. Use the same language included in the development  
104 agreement.

105

106  Mr. Blakesley reviewed the changes:

- 107 • Carry over the rescission language from Section 2.2 of the development agreement.  
108 Adding identical language that if by December 31, 2026 they have not pulled a building  
109 permit and began vertical construction on the initial phase then the city shall have the  
110 right to revoke the reimbursement agreement.
- 111 • Thirty percent of the eligible reimbursable amount as determined by the assessed value of  
112 the property will be held by the city until a building permit is pulled and vertical  
113 construction begins on a subsequent block of the development and each block of the  
114 development shall have similar 70/30 to create an incentive that the entire project be  
115 built.

116 The discussion continued.

117

118  Chair Fullmer felt that it was important to talk about Section B which mentions the intent to  
119 come back for additional increment. She felt that the goal was to incentivize incredible anchors.

120

121  **Motion:** BOARDMEMBER WELSH MOVED TO ADOPT RESOLUTION U2023-11,  
122 APPROVING THE FORGE TAX INCREMENT PARTICIPATION AGREEMENT AND  
123 ALLOWING THE CHAIR TO SIGN THE AGREEMENT WITH THE NOTED CHANGES AS  
124 READ BY THE CITY ATTORNEY BOARDMEMBER RASMUSSEN SECONDED THE  
125 MOTION:

- 126 • CARRY OVER THE RESCISSION LANGUAGE FROM SECTION 2.2 OF THE  
127 DEVELOPMENT AGREEMENT. ADDING IDENTICAL LANGUAGE THAT IF BY  
128 DECEMBER 31, 2026 THEY HAVE NOT PULLED A BUILDING PERMIT AND  
129 BEGAN VERTICAL CONSTRUCTION ON THE INITIAL PHASE THEN THE CITY  
130 SHALL HAVE THE RIGHT TO REVOKE THE REIMBURSEMENT AGREEMENT.
- 131 • THIRTY PERCENT OF THE ELIGIBLE REIMBURSABLE AMOUNT AS  
132 DETERMINED BY THE ASSESSED VALUE OF THE PROPERTY WILL BE HELD  
133 BY THE CITY UNTIL A BUILDING PERMIT IS PULLED AND VERTICAL  
134 CONSTRUCTION BEGINS ON A SUBSEQUENT BLOCK OF THE  
135 DEVELOPMENT AND EACH BLOCK OF THE DEVELOPMENT SHALL HAVE  
136 SIMILAR 70/30 TO CREATE AN INCENTIVE THAT THE ENTIRE PROJECT BE  
137 BUILT.

138

139  There was a discussion about the agreement and phasing. Boardmember Sifuentes wanted to  
140 tie the continued phases to reviewing the site plans. The discussion continued.

141

142

143  ROLL CALL WENT AS FOLLOWS: CHAIR FULLMER, BOARDMEMBERS FLAKE,  
144 RASMUSSEN, AND WELSH VOTED YES, BOARDMEMBER SIFUENTES VOTED NAY.
